# 10<sup>th</sup> Advanced Course of Clinical Pharmacology (10<sup>th</sup> ACCP) 7<sup>th</sup>-9<sup>th</sup> November, 2025

## 10<sup>TH</sup> ACCP

### *About the Conference:*

*The 9th Advanced Course of Clinical Pharmacology (9th ACCP), scheduled from 7th to 9th November 2025 at PGIMER, Chandigarh, is a premier scientific event designed to foster dialogue and collaboration between experimental and clinical pharmacologists, healthcare professionals, and biomedical researchers. This conference aims to bridge the gap between laboratory discoveries and clinical application, with a focus on cutting-edge research, drug development, and evidence-based therapeutic strategies. Participants will benefit from expert lectures, hands-on sessions, and panel discussions led by national and international leaders in the field. The event also offers a platform for young researchers to showcase their work through poster presentations across multiple disciplines in pharmacology. Accredited with PMC Credit Hours and supported by the Department of Health Research (DHR), Government of India, under the aegis of IUPHAR, the conference emphasizes the theme: "Strengthening Clinical Pharmacology through Regulatory Practices: Advancing for Robust Data as per global standard".*
